

# INSTANT INTELLIGENCE IN THE PALM OF YOUR HAND

## AUDIENCE

From the young in age to the young-at-heart, first-time smartphone users are looking for the easiest and most advanced way to connect with friends, family, and the community around them. They want access to the things that make their lives easier, such as movie reviews, directions, text messages, contact lists, web access, and more, and they want to avoid being bogged down by a complicated learning curve.

## ATTRIBUTES

LG Optimus V touts advanced features and user-friendly simplicity. Having the brilliant Android™ 2.2 operating system and Google™ app functionality, users are set with everything they need to navigate through their daily life. They will be pleased to find that searches are an easy command away with Google Voice™ Search and a large, vibrant touchscreen crisply displays all the results. What's more, Optimus V sports 5 customizable home screens so users have the option of compartmentalizing their needs in a multitude of combinations. Now that's just smart.

## ADVANTAGES

### INGENIOUS INTEGRATION

The Android 2.2 operating system provides super-fast, easy integration with all Google apps, favorites, and widgets.

### VOCALIZE IT

Google Voice Actions let you search for online shopping, music, text, calls, emails, and more...just by speaking key words.

### VISUAL EXPERIENCES

A truly cinematic experience that allows you to enjoy your media right on your phone.

### SURE SOCIALIZATION

Easy access to social networking, texting, email, IM, blogs, media sharing, streaming video, and more.

### GETTING THERE, FAST

Google Maps™ Navigation provides turn-by-turn directions to keep you on track and get you where you going.
